The International Conference “Ore Genesis” will be held in the Institute of Mineralogy from 7 to 9 August 2013. The purpose of the Conference is to present new results of studies on fundamental and applied problems of geology, mineralogy and geochemistry of ore deposits. The official language of the Conference is English.

**Preliminary scientific program**

- Evolution of ore-bearing structures and models of ore formation
- Comparative analysis of modern and ancient ore formation systems
- Ore facies and mineral and geochemical associations as indicators of physical and chemical conditions of ore formation
- Thermodynamic modeling of ore-forming processes
- Current methods of study, forecast and rational use of ore deposits
- Examination of the unique collection of black smokers and fossil fauna from ancient and modern oceans

**Chairman** – Valeriy Maslennikov, Doctor of Sciences, Institute of Mineralogy UB RAS, Miass  
**Co-chairman** – Elena Belogub, Doctor of Sciences, Institute of Mineralogy UB RAS, Miass  
**Scientific secretary** – Nuria Aupova, Candidate of Sciences, Institute of Mineralogy UB RAS, Miass

**Advisory Board**

Vsevolod Anfilogov, Corresponding Member of RAS, Institute of Mineralogy UB RAS, Miass  
Nikolay Bortnikov, Academician of RAS, IGEM RAS, Moscow  
Georgy Cherkashev, Doctor of Sciences, VNIIOkeangeologiya, St. Petersburg  
Nykolay Eremin, Corresponding Member of RAS, Moscow State University, Moscow  
Richard Herrington, Doctor of Sciences, Natural History Museum, London, UK  
Victor Koroteev, Academician of RAS, IGG UB RAS, Yekaterinburg  
Ross Large, Professor, CODES, Hobart, Australia  
Victor Puchkov, Corresponding Member of RAS, Ufa  
Svetlana Tesalina, Professor, Perth, Australia  
Sergey Votyakov, Academician of RAS, IGG UB RAS, Yekaterinburg

**Local Organizing Committee**

Dmitry Artemyev, Candidate of Sciences, Institute of Mineralogy UB RAS, Miass  
Il’ya Arkhireev, Institute of Mineralogy UB RAS, Miass  
Vladimir Chernoyarov, Territorial Agency of Mineral Resources in Chelyabinsk district, Chelyabinsk  
Svetlana Maslennikova, Candidate of Sciences, Institute of Mineralogy UB RAS, Miass  
Irina Melekestseva, Candidate of Sciences, Institute of Mineralogy UB RAS, Miass  
Oleg Telenkov, Candidate of Sciences, Institute of Mineralogy UB RAS, Miass  
Valeriy Udachin, Candidate of Sciences, Institute of Mineralogy UB RAS, Miass
Presentations
- plenary (30 min)
- oral (15–20 min)
- posters
- on-line

Call for abstracts
Abstracts should be written in English in the following manner.

THE TITLE

I.I. Ivanov¹, P.P. Petrov¹, J. Smith²

¹ Institute of Mineralogy UB RAS, Miass, e-mail
² Oxford University, UK, e-mail

The length of the abstract must not exceed five A4 pages (including tables, figures and references). Abstract should be typed in Times New Roman, 12 pt. All margins are 2 cm and line spacing is 1.5.

References should be cited as follows [Petrov et al., 2010; Wang, 1994].

Figures (*.jpeg, *.gif), figure captions (*.doc) and tables (*.doc) should be sent as individual files. All files should be archived in WinRar or WinZip archives named by surname of the first author.

Acknowledgements should be typed in italic before the references.

Field trip
Two field excursions (before and after the conference) will be organized to massive sulfide, manganese, gold and iron deposits of the South and Central Urals (optional at additional cost). Preliminary dates of excursions: July 28–August 05 and August 10–12. The participation in the first excursion is limited.

Registration fee is going to be US$ 100.

Deadline for registration and submitting of abstracts via e-mail oreogenesis@mineralogy.ru is June 28, 2013.
